This Month Sales Exceed Last Year More Than 100%

Slaughterers Take 83 Percent Of Monday's Offerings At

Steady Prices
With the largest sale in both numbers and money for the past eleven weeks, and with a fair supply of "good" steers, the local market handled a total of 727 animals on Monday.

Last October there were 1284 head sold thru the local market and this year's total amounted to 2697 for the month of October.

October 26 sale of 727 cattle brought a total of \$50,754.31.

There were 350 steers, 74 cows, 35 heifers, 8 bulls and 29 yearlings.

Slaughter

Steers — Good 18.50-17.75; Cuts 13.50-13.00; 11.50-11.00; 10.50-10.00; 9.50-9.00.

Heifers — Com. 12.50-14.00; Uty. 11.00-11.75; Cut. 8.50-9.00; 8.00-8.50.

Cows — Good 11.75; Cuts 10.00-12.00; Uty. 7.00-8.75; Cut. 5.00-7.50.

Bulls — Uty. 9.25-11.25; Cut. 7.75-8.75; Cuts 4.50-5.50.

Yearlings — Uty. 10.75-12.00; Cut. 8.50-11.00; Cuts 7.25-8.00.

Blacks

Steers — 7.00-1.50; 1.00-1.00; 1.00-1.00.

Heifers — 4.00-11.00; Cows — 5.00-12.25; Bulls — 2.00-10.50.

Bulls — 2.00-2.50.

PAR-TEE LINE

Country Club of the Everglades

Northwest Division

Local golfers played their first fall game in the Palm Beach County Tournament at Delray Beach Monday.

The girls were not in tip-top shape, not getting any practice in a month, or so, but they were all good sports and had fun.

West Palm Beach beat Lake Worth 27½ to 6½ while Delray topped Belle Glade 25 to 11.

The following are scores of tournament:

Delray: Cecil Chase DB 11½; Kai Wicks DB 11½; Gladys Benson DB 2; Edith Van Lindingham 1½; best ball DB 1, 1 BG.

West Palm Beach: Mac Byrd DB, A, vs. Ripley Weeks, BG, 0; Betty Deherty, DB, 1, vs. Helen McCabe, BG, 2; best ball DB 2, BG 1.

Mary Sharpe, DB, 3, vs. Pete Kirkham, BG, 0; Dorothy Adams, DB, 1, vs. Zelma Bennett, BG, 2; best ball, DB, 1, BG 2.

Pat Rose, DB, 3, vs. Louise McWhorter, BG, 0; Jo Roberts, DB, 3, vs. Ruth Zimman, BG, 0; best ball DB 3, BG 0.

Good news for golfers, according to a report received from our pro, Joe Ziemann the local course will be playable Sunday if the weather permits. Here's hoping! So get the rain and mellow off your clubs and shoes and get prepared. It's a grand game for young or old. Be seeing you.

The Ladies Golf Association will have Ladies Day beginning at 9:30 this morning and will meet every Friday. All members are asked to come out. The course should be playable but if not several holes can be played.

Infantrymen Learn To Shoot Long And Hard And Lots Of It In A Hurry

Land Infantrymen of the 1st Marine Division are being trained in the use of the M-16 rifle at the Marine Corps Air Station, Kaneohe, Hawaii.

RAMS WILL MEET POMPANO TOMORROW

Pompanso Bear Pickers will have an edge over the Golden Rams when they meet tonight on Memorial Field. Pompanso has only one loss, to P. P. Pierce so far. The Rams have won two games and lost three. P. P. Pierce who plays Quarterback is favored over Pompanso in their efforts to hold their 1-0 status in the race.

Belle Glade romped over Stuart in their last game and rested last week so they will probably give the Bear Pickers some stiff competition.

The FFA will have a dance following the game at the High School Auditorium, "Hog, Hog or Drag".

Co-Op Advantages Not Confined To Regular Members

A farmer's cooperative is not a closed corporation; its facilities are available to non-members, and with these facilities, when used, to mutual advantage naturally inherent with the group.

The financial stability of the group affords the more efficient methods of production, mass production, and the feasibility of employing superior knowledge for volume processing and selling together with the ability to supply wholesalers or users with year-round variety, all make for economy and efficiency.

Under the charter provisions of Co-ops, included by the by-laws, a dividend is paid on all sales to the Cooperative. This dividend is usually paid in cash at the end of the season.

The sales for brokerage are usually less than the prevailing rate because of the great volume handled, and in addition to this there is usually a saving, say, one charge actually made, because of the ability of the sales force to handle the large volume.

When the year's operation is at an end, all savings are divided among the members and non-members strictly in accordance with the volume of produce put through by each farmer.

County Commission Considers Effect Of Tollroad Route

The county commission this week took action to prevent the proposed tollroad from being built in the western portion of the county, which includes only two sure turnouts for the county — will jeopardize the county road program unless adequate overpasses are provided for the east-west arteries.

The board instructed the county engineer to provide the turnpike authority with the county's plans for extending roads westward or constructing new ones. In some cases said Commissioner Kenneth Foster, the stand that the road, which includes only two sure turnouts for the county — will jeopardize the county road program unless adequate overpasses are provided for the east-west arteries.

Glades Life Underwriters Organize As Professional Group

The first regular meeting of the newly organized Everglades Life Underwriters Association, held October 15, with a luncheon at the Bend. There were 25 members and 6 guests present. The guests were Winston W. Wynne and Art Round, president and vice-president respectively of the Florida State Underwriters Association, Dave Blatt, Bill McLaughlin, Chet Bethea and R. V. Jewett, all prominent insurance men of West Palm Beach.

The guest speaker was Winston W. Wynne, who gave a most interesting talk on the highest mark possible on such an examination — it is the highest mark recorded by the association in the past six examinations — 100.

LEGION AUXILIARY MEMBERSHIP DRIVE IS STILL UNDERWAY

To all American Legion Auxiliary members, Mrs. Effie Allen, president of 9th district, has a message about the membership drive which started October 1. "A strong membership is the first essential to success in all auxiliary activities, with out a satisfactory enrollment members a unit cannot be expected to carry out large projects with success." A unit which fails to recruit its ranks to the greatest strength obtainable is not doing its full part toward the success of the department and national organizations.

The American Legion Auxiliary was formed for the purpose of aiding American Legion in carrying out its great program of peace time service to Americans to which the Legion is dedicated. All of its activities are objectives — although often working independently on projects of their own, the auxiliary has no purposes that are apart from the aims of the Legion. It is in every sense an auxiliary to the Legion and its members serve side by side with the men in a spirit of unselfish devotion to the well being of the American Republic.

May I join the Auxiliary? You are eligible to join if you are an American citizen, a member of the American Legion, or a member of the American Legion Auxiliary.

From where I sit, by Joe Marsh
It's the Principal of the Thing!
Every autumn our High School has a contest to see who can get the most ads for The Recorder — the school magazine. The winner becomes honorary Principal for a year.

Miss Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear voice: "I hereby declare today a school holiday!"

Knowing Miss Gilbert, the real principal, it was no surprise to me that she laughed as hard as anybody else... and said to go right ahead.

FHA District Convention will be held Friday, Nov. 7 in Miami. Your girls serving as officers for this chapter, Jeannette Friedheim, State Parliamentarian; Mary Louise Stroble, state treasurer; Louise Stroble, state secretary; Frances Layfield, president elect.

Last Thursday was initiation, girls wore dungarees and shirts inside out, with skirts upside down fastened at knees, hair in pig tails, dish pans and spoons for noise makers.

The monthly meeting was held Monday night in the Home Ee kitchen with a pot luck dinner preceding the business session. Delegates elected for the convention were Dorothy Brenlar, Norma Royals and Joanne Holladay. Dorothy Brenlar, Norma Jean Royals, Sandra Moberly and Louise Stroble. Belle Glade chapter will also present a skit at the convention representing national and state projects and other projects for money making ideas.

About 35 FHA members will attend the convention out of 48 members in the chapter.

Belle Glade Chapter of FFA held its regular meeting on

Tuesday, October 27. Advisor Son Lovitt, introduced as guest speaker, Claude Jones, Local Attorney and former state FFA president.

Mr. Jones gave an interesting and informative talk on how the FFA had helped him. Following his talk he displayed his scrap book, during the time was an FFA member.

Activities of Glades Scouts

The 4th grade Brownies, Troop No. 5, met at the home of Mrs. William Houmes, 23 N. W. Ave. G, Wednesday afternoon at 3 p.m. Mrs. Victor Green is co-leader with Mrs. Houmes of the group.

Officers were elected as follows: president Gloria Smith; Vice pres. Linda Sue Rubin; first vice pres. Patricia Anderson; treasurer, Kathie White; reporter, Peggy Carlton.

Brownie Scouts Troop No. 5 met with their leader, Mrs. William Houmes Wednesday afternoon. All the girls were in Halloween costumes and played games.

Safety at Home, was a playlet with brownies taking part by Mrs. Victor Green. Family place cards were made by the group. Eleven members were present.

Cub Scout, Den Number 5, held their first full meeting and election of officers Tuesday afternoon at the home of their leader, Mrs. Malcolm Bedsole.

Barry Wood was elected keeper of the buckskin; Dan Hayes, denser and Roy Bedsole, assistant denser.

Others present were Roy Hayes and Eddie Hayes. Mrs. Wilmet Hayes is assistant leader.

C. O. F. CHANGE IN BY-LAWS AUTHORIZED
A change in the by-laws of the Chamber of Commerce was authorized at the regular monthly meeting last week. Directors ordered several changes among them, the settling up of elections of officers from March to September. Following completion of negotiations to change the charter by Board Attorney Claude Jones. Changes will be officially recorded.

Emmett S. Roberts reported that blue prints were being made of the survey plat of the site of the new Chamber at Commerce Building and papers for the deed would be ready this week. Plans for the building and negotiations for the site will be submitted to directors at the Nov. 4 meeting.

Junius Hitts, port chairman, gave report on the new wharf, which has been completed all but the fill and out-lined plans to develop the commercial possibilities.

President Lively presented Mrs. Edwin Young, Executive secretary with a framed diploma for the completion of a 3 year institute course offered at the University of N. Carolina, which was received from Southeastern Institute for Chamber Executives.

Delegates appointed to attend the Chamber of Commerce Annual meeting to be held in St. Petersburg Nov. 15-17 were Mrs. Young, George Wedgworth, E. M. Lively and E. S. Roberts. Temporary offices of the C. O. F. are located at 40 Ave. A across from the City Hall. Mrs. Young announced that display windows in front of the office may be used by local merchants.

Mrs. Kenneth L. Lockmillier was complimented at a shower given by Mrs. Louise Buckles, Mrs. Janice Miller, Mrs. Dorothy Carnes and Mrs. Mary Waters at the Legion Hall Tuesday evening.

The honoree received a baby bed from the hostesses and numerous lovely gifts from her friends.

The serving table was decorated with arrangements of pink and blue, topped with pink and blue icing, strawberry ice cream, nuts, minis, coffee and cold drinks were served.

Gifts were received from Mrs. C. A. Armstrong, Mrs. W. L. Martin, Mrs. Mary McCann, Mrs. Marie Smith, Mrs. F. M. Kelsoe, Mrs. Margaret Gailly, Mrs. Billy Rogers, Mrs. Quince Silver, Mrs. G. J. Barrow, Mrs. Linton Miller, Mrs. Farnier, Mrs. Burton Martin, Miss Victoria Challancin, Miss Sparrow Challancin, Mrs. Maxine Hunt, Mrs. Russell Buss, Mrs. Virginia Lowery, Mrs. Margaret Smith, Mrs. Leslie Martin, Mrs. O. P. Register, Mrs. J. B. Rhodes, Mrs. H. C. Van Lindingham, Rumelle Jackson, Miss Gloria Crobb, Mrs. P. E. Goodhead, Mrs. E. M. Willis, Mrs. S. M. McCallister, Mrs. Floyd Wilder, Mrs.

Mitchell Davis, Mrs. Betty Brown, Mrs. Hurley Harrell, Mrs. A. B. Barnes, Mrs. Ann Cooper, Mrs. Joe Hodges, Mrs. Delores Teier, Mrs. Luda Lockmillier, Mrs. Martha Williams, Miss June Ratley, Dot Keese, Mrs. Zelma Betzner, Mrs. Helen Cameron, Mrs. Evelyn Lesth-

LOCAL GARDENERS ARE COMPLETED THROUGH PICTURES OF WORK

The Florida Federation of Garden Clubs issues each year an Engagement Calendar with alternate pages being photographs of arrangements by various Florida Club members, and space notes and records on other pages.

The Belle Glade Garden Club has three pictures out of the 54, which is more than any other club. Mrs. Bert Hopson, Mrs. Ivan Van Horn and Mrs. Luther Jones each have one selection.

Mrs. Aevril, local photographer is credited with pictures of all three arrangements.

SORORITY PLEDGES HONORED AT TEA

Pledges of Beta Sigma Phi were honored at tea at the home of Mrs. L. Connell on Sunday evening, October 23. Fall decorations of crotons were attractively placed around the living room, and the punch bowl was centered on a table with floral refreshments.

Mrs. L. O. J. Jones presided at the punch bowl, and Mrs. J. E. Jones assisted the chapter hostess, Mrs. Lorenzo Connell.

Mrs. Dan Beardley, Mrs. J. G. Abbott, Mrs. Grant Averill, and Mrs. C. L. Todd, and brothers of Mrs. Lawrence Connell, Belle Glade and Mrs. Horace Unwin, Pahokee.

Arriving here Tuesday for a two weeks visit with the family were Mr. and Mrs. W. E. Cochran and two children from Hershey, Illinois.

Another brother, Sgt. Claude Cochran, is serving as Radio Instructor with the Field Artillery, now based in Munich, Germany. His wife, Barbara.

the various hours of service for members at the Halloween Carnival on the soft drink and coffee stand.

The ways and means chairman distributed Christmas paper and ribbons to the various members present.

Mrs. Clyde Clayton and Mrs. Sam Lovell volunteered their services on the contact committee. The membership voted to use cards as means of contact for future events.

Mrs. O. G. McWhorter and Mrs. Frank C. Anderson were in charge of a very interesting program for the evening on "Jewelry."

NEWS OF GLADES BOYS
(Continued from Page One)

Since I am to be discharged on October 31, I will not be with the unit but will be looking forward to seeing them in Florida.

Sincerely yours,
Sgt. William McClatchey.

Seaman John T. Cochran arrived here Tuesday on his first home leave after 15 months sea duty with the USS Natchaug, AGO 44. Serving on the fuel tanker, with home port in Honolulu, he served in Japan, Alaska, Midway and Aniwetok areas. He has been in the Navy since January 3, 1952.

Pvt. William F. Cochran, who has been based at Fort Lee, Virginia for eight weeks basic and just completed an eight weeks course in Supply Handling, will also home on leave, but left Wednesday to report to Camp Kilmer, N. J. before shipping out for European service.

Both boys are sons of Mr. W. W. Cochran, Belle Glade, and brothers of Mrs. Lawrence Connell, Belle Glade and Mrs. Horace Unwin, Pahokee.

Another brother, Sgt. Claude Cochran, is serving as Radio Instructor with the Field Artillery, now based in Munich, Germany. His wife, Barbara.

Mrs. Frank C. Dooley, sponsor and daughter, Patry, and Mrs. Dora B. McWhorter, visitor, were also present at the tea. At a recent meeting it was voted to hold initiation services at Edgewater on the night of Nov. 24, and a dance in honor of the pledges at the Country Club of the Everglades on November 28. Mrs. O. G. McWhorter offered her home again for the annual Christmas party.

Mrs. Tom Chappell announced

and two year old daughter joined him there in September to make their home there for the duration of his stay.

MRS. ROYAL HOSTESS TO WED. METHODIST CIRCLES

The Ruth-Naomi and Mary Martha Circles of the Woman's Society of Christian Service held a joint meeting at the home of Mrs. George Royal on Palm Beach Road, Wednesday, Oct. 28 at 3 p. m.

Mrs. N. T. Taylor led the devotional, using as her subject "Prayer", which was in keeping with the observance of the National "Week of Prayer and Self-Denial". Mrs. Herbert Beck reviewed the second portion of the study, "Within These Borders".

Announcement was made of the Annual Pilgrim Tea, to be held at the Methodist Church on Nov. 17, from 3 to 5 p. m. There will also be a rummage sale on Sat., Nov. 28.

Others present were Mesdames D. W. Harris, P. L. H. J. Bruley, George Farnall, M. M. Sabiston, W. R. Hooker, R. W. Kidder, J. I. Fredlund, Robert Allen, Dora McWhorter, Robert Allen, E. M. Van Landingham, Mildred Haney, Clara Gledhill, E. L. Holmby, T. E. Houlingsworth. Visitors attending were Mrs. Ted Daniels, Mrs. C. P. Springer and Mrs. Mattie Rickman.

PIONEERING OBSTACLES (Continued from Page 1) because the school building was not yet completed.

One teacher described her entry. "There were two metal tables and a few chairs with the tables pushed together. Most of the boys were playing leap-frog on the tables, while the other children were simulating baseball, or maybe it was football, with whatever objects were handy to throw."

None condems the kids for originating and indulging in their own idea of recreation—it must have been fun. It was not however, in line with modern ideas of physical education in the public school systems and suggested routine corrective measures.

There were three teachers who labored for years with a continual increase of enrollment each month until the peak of the season was reached with consequent adjustments in "books" as well as discipline. Many pupils came in for the first time to any school for that particular school year, and many came from other schools with a consequent adjustment necessary to the level of discipline insisted on in Osceola.

In 1913-14 when there were 102 enrolled the first month with a peak of 191; in 52-53 there were 128 the first month and 201 peak, with an average of 180 pupils.

There are six grades and six teachers. There is no supporting organization for the school, such as PTA, nor does the local PTA assume any responsibility for it, it has been busy trying to keep abreast of the demands of the elementary and high school in Belle Glade.

A PTA has been attempted several times with the same result—failure. This is due, according to Housing Director Emmett S. Roberts to the fact that most parents living in the Housing unit work irregular hours in the cannery plant, packing houses and fields, and it is impracticable to find a meeting time agreeable to a majority of the members of the PTA. In a comparatively small school, and parents being involved, as they are, in their working hours, it has been impractical so far to get enough parents to regular meetings. This was particularly true in the past when families came and left frequently during the school term.

"I feel that there is a challenge to the County PTA organization and to the Glades at this school for some very thoughtful and considerate work in extension."

BORROWINGS OF FLORIDA FARMERS \$30,398,000—Florida farmers borrowed a total of \$30,398,000 last year on lands and buildings for general farm improvement and purchase of new lands.

These farm borrowings, as shown in recorded mortgage statistics, mark the continuing agricultural development of the state, the Florida State Chamber of Commerce pointed out recently.

The 1952 Florida total was 8 percent over 1951, up 40 percent from 1949 and virtually double the 1946 figure.

Various features of farm mortgages in Florida are brought out in this week's business review of the State Chamber of Commerce.

ber's research and industrial division. There were 6,171 farm mortgages recorded in the state last year by all lenders. While this total is slightly below 1951, the average size of last year's mortgages, \$4,925, is the highest on record. The national average was \$5,631.

In Florida, individuals loaned the most money to farmers, 35 percent of last year's total. Commercial banks loaned 17 percent; federal land banks 19 percent; insurance companies 8 percent; and 31 percent was secured from other types of lenders.

Mortgages of more than \$100,000 and transactions entered into prior to 1952 are not included in these figures.

PTA TO HEAR MRS. (Continued from Page One)

Mrs. Guy Wood, Jr., PTA president, announced that all PTA circles from across the state are invited to attend this meeting. Mrs. Beckham will answer and discuss any questions on parliamentary procedure and by-laws.

Board members and officers of the PTA and Mrs. Beckham will be guests at a buffet luncheon preceding the meeting at the home of Mrs. Henry Blum, hospital chairman.

Mrs. David Motes, chairman has on her committee for hostesses Mrs. Henry Bridges, Mrs. Joe Cherry, Mrs. W. K. Whitlock, Mrs. Richard Murray, Mrs. Les Berghoff, Mrs. Basil Cook and Mrs. T. E. Hollingsworth.

FUND RAISING AND (Continued from Page One)

All the other booths for your entertainment will be open as well as the food booths. Plans on having your dinner at the tea room. The girls will serve a ham dinner with all the trimmings and other booths will have hotdogs, hamburgers, cake, pie, etc.

Don't forget the new attractions, "Battle Royal" sponsored by the newly organized Junior Chamber of Commerce, and the "House of Horror"!!!!!! sponsored by Lions Club.

ERA TART REMON (Continued from Page One)

Wednesday morning, Nov. 3, on Some Mangrove-Iron Relationships in Tomatoes Grown on Scranton, Peat and Marl Soils. At 9 o'clock Thursday morning Nov. 4, V. L. Guzman and Emil A. Wolfe from Everglades Experiment Station will present papers on "Effect of 2-4-D on Four Sweet Corn Hybrids at Different Stages of Growth."

Dr. Thomas Forsee, at 9:40 will give "A Preliminary Report on the Effect of 2-4-D on Four Sweet Corn Hybrids at Different Stages of Growth."

At 10 o'clock Dr. Forsee and N. C. Hayash will present "Fertility Requirements of Field Corn Grown on Sandy Soils Following a Fall Crop of Unslaked Tomatoes."

The annual Society banquet will be held in the dining room of the Isena Hotel.

GOVERNOR JOHNS TO ATTEND CATTLEMAN'S MEET IN ST. PETE.

Acting Governor Charles Johns will be the featured speaker at the Florida State Cattlemen's Association convention in St. Petersburg November 18. President Ben Hill Griffin of Frostproof, has announced.

"We're very happy that the acting governor will be able to be with us," Griffin said. "It will give him an opportunity to let us know what the policies of his administration will be toward the cattle industry."

A representative of the American National Cattlemen's Association, Red Hall, assistant executive secretary—will be the main speaker at the November 17 business session, Griffin reported.

More than 400 cattlemen are expected to be present for the convention at the Swanmore Hotel in St. Petersburg. Entertainment program is being handled by the Pinellas County Cattlemen's Association, with Jay B. Starkey of Largo as chairman.

KEFAUVER COMMITTEE (Continued from Page One)

All citizens are invited to make any legitimate "gripe" concerning the operation of the city, with the assurance that the problem will be studied by the Committee and some recommendation made.

ECONOMICAL CONVERSION (Continued from Page One)

As prospective recipients of \$100 million from cattlemen—they are preparing to teach cattlemen the "how" of the most economical use of nature's gift in production of high-nutrient cattle feed in the Glades.

LEGAL NOTICES

Notice of Consolidated Meeting. Notice is hereby given that the regular Consolidated Meeting of the Board of Directors of the City of Belle Glade, Florida, will be held on November 25, 1953 at 7:30 p. m. in the City Hall, Belle Glade, Florida. The agenda for this meeting shall be presented at that time.

City of Belle Glade, Fla. By Frank C. Anderson, Mayor. Witness my hand and the seal of said City, this 27th day of October, 1953.

Pub. Oct. 29, 30 and Nov. 6, 1953.

An Authoritative Report To Glades Growers

Our organization serves growers, whether they are non-members or members of our cooperative.

But it may not be generally known that the benefits of cooperative action enjoyed by non-members, as well as members, resulted in very substantial savings to these growers.

Financial stability, efficient methods, mass purchasing power, more than ample facilities, general "know how" from all angles, and a XXXX rating of the trade all combined to produce unusual returns all along the line for growers.

To begin with, a 6% cash dividend has been paid on investment each year.

On brokerage charges alone, as compared with customary rates, last season's savings exceeded

\$50,000.00

Add to the foregoing, processing savings to non-member and member growers and the knowledge that patronage automatically makes you a partner in, and part owner of, the finest facilities in the Glades.

Full information about our cooperative is available from members or at our offices

Too Late To Classify

By Russell Kay

I have been taken to task by a reader of the Orlando Sentinel who read my recent column dealing with the housing development of Florida Builders, Inc., of St. Petersburg, where several hundred modern homes are under construction. They are offered at from \$7,100 to \$7,400 with all modern facilities furnished including excellent drainage, sewers, modern, in every respect with built-in cabinets, tile bath, tile floors, aluminum windows, glass jalousies, ample closet and storage space, cross ventilation, central heating plant, stone and concrete walks and drive, airport and completely landscaped.

The gentleman, who signs his letter C.R.H., resides in St. Cloud and sends a picture of the attractive frame house he and his wife built for \$2,000; 16 x 20 with an 8 x 14 screened porch.

He writes: "Mr. Kay may be so financially well off that \$7,000 to him is a low price, but he has entirely overlooked the thousands of people now living on social security, small savings or pensions of other sorts who should also be considered and to whom a \$7,000 home is far from being a possibility."

"There are plenty of places in Florida where a \$7,000 house would be considered low priced and where much higher priced houses are the rule, and it is evident that Mr. Kay caters to that class of customers only."

"On the other hand he has overlooked, missed and deceived thousands of possible desirable citizens who could and would locate in any one of our small cities where land is plentiful and cheap and where a small house, with all the conveniences needed, could be bought or built for \$3,000 and up."

"I can and do speak from actual experience as my wife and I came to St. Cloud about four years ago, bought a lot and built a comfortable livable house, fully equipped with electric refrigeration, gas for cooking, oil heat and all the comforts needed at a cost of around \$2,000. Of course my wife and I did a great deal of the construction ourselves which is something that most anyone can do."

"We probably overlooked or failed to carry out some of the fine points of construction which are costly and not really necessary for comfort and safety. After all, most people come to Florida to a much different reason and purpose than to live in a fine house with its costly upkeep, responsibilities, cares and expenses."

"I hope that Mr. Kay will soon write an article showing that a fully efficient, comfortable and desirable low priced home really can be had for those desiring. He will show how thousands of waiting people just what, not only St. Cloud, many other desirable cities have to offer."

"Show them that Florida has something adequate, not only for the \$7,000 and up but just as much and more for

those from \$7,000 down, that one, will and do fulfill requirements be they large or small and that those who are now here stand ready with a welcome for those who we hope will soon come."

The gentleman's point is well taken. Throughout Florida new comers have provided themselves with homes that are comfortable and livable at much less than \$7,000. The expert advice of this enterprising St. Cloud couple is an excellent example. The little home means as much to them and meets their needs just as well as the modern preengineered job offered by Florida Builders, Inc. does to others.

Tastes in homes differ just as they do in automobiles. Not everyone can drive a Cadillac or Packard and that's why we see jalopies put together with haphazard and chewing gum by folks with a mechanical bent, who get as much if not more enjoyment out of their car than the fellow does who drives his King-sized 1954 model. The joy of living in Florida would the man of small means, who, as the gentleman from St. Cloud did, can buy or build a comfortable, livable and desirable place at a price he can afford. Florida will continue to grow and more homes will be built from \$2,000 to \$100,000 depending on the taste and pocketbooks of those who come here.

NEGRO NEWS

St. Olle E. Carter, son of Mrs. Alex Carter, 617 S. W. Avenue B, Belle Glade, Florida, is nearing completion of a 16-week training cycle at Fort Leonard Wood, Mo., with a unit of the 6th Armored Division. As a trainee, he received eighth grade basic training in the fundamentals of Army life and the use of infantry weapons. He is now completing an additional eight weeks engineer training.

At the end of the 16-week training cycle with the famed "Super Six" the men completing training will be sent either to specialist schools or as replacements to other units.

lory plot, plowing of a strip of land west of Lake Shore Elementary School and plowing of 3 1/2 acres of land for one of our NFA members, Willis Vereen. Fifteen members of our organization participated in the plowing of all areas mentioned. Twelve boys participated in the painting projects mentioned. The handling and care of our tractor and tractor equipment was demonstrated to fifty of our members this week.

One of the main objectives carried out in this week's meeting was to make plans for training a group to participate in the State judging contest that is held at the State Fair, Tampa, Florida in February of each year. A team of three boys will be selected the first of January to make final preparation for this annual contest.

EAST LAKE SCHOOL NEWS

Campus Highlights:

We feel the importance of reminding our friends in the neighboring communities to join us in our assembly programs presented by the students. We consider our programs as an integral part of our curriculum which are very entertaining as well as being instructive and children are helped in moulding character and personality. On Friday, Oct. 30 the first grade "B" class under the sponsorship of Mrs. Beattie M. Murray will bring "Hallowe'en to us in the form of a very enjoyable playlet, "Traveling To The Hallowe'en Party". You are invited to share this experience with us.

The second month of school has really brought about a rapid change in our enrollment. Students are returning daily by leaps and bounds from various places and are back in class routine again. Despite the fact that a large number of students were away all activities have been carried on as planned for the term. Our bulletins both activity and art bulletin boards have been very attractive and

informative during each display. Our bulletins serve as a motivating and vitalizing influence. As a result they have proved to be very helpful.

VESPER SERVICE: Again, in a series of services the E. L. S. Chorus in another presentation under the direction of Mr. S. M. Murrell will appear on Nov. 1 in the assembly room. Beautiful songs and music will be provided. These services have been especially appealing to the public. This program promises to be very timely. Time of service 6:00 P. M.

McKee Jungle Gardens, near Vero Beach, has recently laid claim to being the largest botanical gardens in the State of Florida.

MRS. VAN HORN ATTENDS GC MEET AT DADE CITY

Mrs. Ivan Van Horn, director of Sixth District, attended the State Board of the Florida Federation of Garden Clubs at Dade City Tuesday, Oct. 20.

Dinner was served by the Dade City Garden Club in the garden at the home of president, Mrs. W. F. Edwards.

During the business session plans were made for the year's work. It was announced that U. S. Highway Number 1 would be designated as Ocean Trail. The State Board will have their next meeting in Tallahassee on Feb. 22 and the South Atlantic Regional meeting will be held in Arcadia, Louisiana, on Feb. 24.

Mr. Van Horn accompanied

Mrs. Van Horn on the trip; they returned Wednesday evening.

When it rains, use the Herald's want ads to buy and sell.
